19 IN THE UNITED STATES DISTRICT COURT
20 FOR THE NORTHERN DISTRICT OF CALIFORNIA
21 OAKLAND DIVISION

22 CASCADeS COMPUTER INNOVATION
23 LLC,

24 Plaintiff,

25 v.

26 RPX CORPORATION and SAMSUNG
27 ELECTRONICS CO. LTD.,

28 Defendants.

Case No. 4:12-cv-1143 (YGR)

The Honorable Yvonne Gonzalez Rogers

Magistrate Judge Donna M. Ryu

**CASCADeS' COURT-REQUESTED
OPENING BRIEF REGARDING THE
REMAINING STATE LAW CLAIMS**

29 Cascades intends to pursue its state court claims in state court, and therefore, requests that
30 the Court decline to exercise supplemental jurisdiction over Count V (for violation of the
31 Cartwright Act, Cal. Bus. & Prof. Code §§ 16700 *et seq.*) and Count VI (for violation of
32 California's Unfair Competition Law, Cal. Bus. & Prof. Code §§ 17200 *et seq.*). The parties have
33

1 conferred regarding the resolution of the state law claims, but could not reach an agreement
2 because Defendants insist that the state law claims must be dismissed with prejudice.

3 Having dismissed the federal antitrust claims over which it had original jurisdiction, the
4 Court should simply decline to exercise supplemental jurisdiction over the remaining state law
5 claims under 28 U.S.C. § 1337(c)(3). Dismissing the state claims with prejudice would be
6 inappropriate where there has been no finding on the merits that Cascades is unlikely to be able
7 to successfully re-plead these claims in state court. Hence, Cascades requests that the Court
8 exercise its discretion, and decline supplemental jurisdiction, so that Cascades can pursue its
9 California state law claims in California state court.
